

March 24-26, 2021

International Colloquium on

Regulatory Mechanisms underlying Behaviour, Physiology and Development

Sponsored by UGC-SAP program and University of Delhi

Invitation

The Department of Zoology, University of Delhi is organizing an International colloquium on “Regulatory Mechanisms underlying Behavior, Physiology and Development” under the joint umbrella of Indian Society of Chronobiology and Indian Society of Comparative Endocrinology.

We warmly extend you an invitation to participate and make this colloquium successful and academically fruitful. The theme of the colloquium is inter-disciplinary in nature to provide platform to budding scientists of various disciplines of biology for interaction with leading scientists and academicians of this country and abroad. The colloquium also includes ‘Professor M L Bhatia Memorial Lecture’ and ‘Professor C P Alexander Memorial Lecture’.

Abstract Title: 14 pts, first letter of each word in uppercase;
Initial followed by surname (12 pts) and affiliation (10 pts);
Body text: 12 pts, 1.5 spacing, text justified;
Font must be in Times New Roman.
The abstract must reach latest by **March 8, 2021**.

Organizing Committee

1. Indian Society of

Chronobiology

President: Prof. Vinod Kumar
Vice President: Prof. A.S. Dixit
Prof. Anita Jagota
Secretary: Prof. S.K. Bhardwaj

2. Indian Society of

Comparative Endocrinology

President: Prof. Iqbal Parwez
Vice President: Prof. Bechan Lal
Secretary: Dr. Sudipta Maitra

3. Department of Zoology, University of Delhi

Prof. Madan Mohan Chaturvedi
Prof. Umesh Rai
Prof. Rina Chakrabarti
Prof. Neeta Sehgal
Prof. Rakesh Kumar Seth
Prof. Dileep Kumar Singh
Prof. Rita Singh
Prof. Sharmila Basu-Modak
Prof. Anju Shrivastava
Prof. Rajagopal Raman
Prof. Mallikarjun Shakarad
Prof. Namita Agrawal
Prof. Yogendra Singh
Prof. Alok Chandra Bharti
Prof. Ram Krishna Negi

Scientific Program Committee
