

National symposium on Chronobiology: Biological Timing and Health Challenges

in Conjunction with the

Biennial meeting of the Indian Society for Chronobiology

March 02-04, 2023

Organized by Department of Zoology, Mizoram University
Aizawl, Mizoram

We, the members of the local Organising committee, are very pleased to invite you to participate in the "National symposium on Chronobiology: Biological Timing and Health Challenges"; being organized by Department of Zoology, Mizoram University, under the auspices of Indian Society for Chronobiology; during March 02-04, 2023. This symposium will provide a platform for discussion on various aspects of Chronobiological research being done including in the field of neurobiology, physiology, sleep, reproduction, medicine, evolution and ecology etc. The Department of Zoology at Mizoram University came into existence in the year 2005, and since then it has excelled in teaching and different research areas in the north-east region of the country. The Department has been recognized by the Department of Science and Technology, New Delhi through its FIST program. We very warmly extend you an invitation to come to Mizoram University, Aizawl, Mizoram, and make this symposium an academically fruitful event.

Amit Kumar Trivedi, Convener
